# Mobilising Your Workforce

Clients who have secured work in the Pacific region and need to mobilise their Australian workforce can turn to Pasifika Labour for reliable and efficient assistance with:

- Personnel flights and accommodation
- Country working VISA and permits
- Transport and logistics (equipment and materials)
- Security and asset protection
- Local legislation and customs
- Local content service agreement establishment
- Medical clearances, vaccinations and COVID Safety Plans

## Our Experience

Established in 2018, we have been recruiting qualified and experienced project teams to plan and deliver projects in the Pacific region.

Our experience in mobilising workforces from Australia has been called upon by corporations, governments and not-for-profits.

The projects delivered have been across a variety of industries. We are proud to have assembled teams with the best talent available across a range of occupations including:

- Civil and residential construction
- Logistics and warehousing
- Accounting and document control
- Information and communication technology
- Garrison support
- Humanitarian services

We manage the engagement, training and development of local employees ensuring compliance with local labour and taxation laws.

## Quality & Compliance

Our understanding of local labour laws within the Pacific region combined with being a Corporate Member of the Recruitment, Consulting and Staffing Association of Australia and New Zealand and a Registered Labour Hire Provider ensures that our clients have total peace of mind, knowing their Pacific region workforces are not only assembled with quality people, but are compliant with the range of local laws and customs, as well as those back home in Australia.

Pasifika Labour

## Leadership

Our leadership team is based in our head office in Brisbane Australia and travels throughout the Pacific region to manage our clients' workforces.

The experienced and qualified team at Pasifika Labour have a commitment to quality, and to capacity building in the Pacific region. Each project that is carried out leaves a legacy of additional skills and knowledge with the local people that enhances their local economy and quality of life. Something we're very proud to contribute to at Pasifika Labour.
